STUDENT APPLICATION: TURNING ON THE LATHE

To be completed by student.

Please read, understand, and agree to the requirements of this program before completing and turning in this application.

I will learn, understand and follow all safety rules.

If I do not completely understand or feel safe performing a procedure, I will ask for help from the instructor before I proceed.

I will treat school equipment and other students with respect.

To the best of my ability, I agree to attend every session.

If I simply cannot attend a session, I will tell Mr. Angelo or Mr. Grant, that I will be absent.

I WILL CLEAN UP MY WORK AREA AT THE END OF EACH SESSION.

(THE SHOP WILL BE LEFT CLEANER THAN WHEN WE STARTED)!!!!

I will help set up tools and lathes for each session and put away tools and other equipment when each session is completed.

I understand that if my absences are excessive and without good reason, I will be removed from the program.

I understand that all tools and supplies will be provided at no cost. However, there are many (optional) projects or turning "kits" that can be purchased by the student. (More information will be provided later).

AFTER COMPLETING THIS PROGRAM, would you be willing to help teach other students on the wood lathe when another turning session is offered?(You would be a shop helper and demonstrate how to use a tool for example).

I understand that I will be removed from the program if I do not follow the program requirements.

I AGREE, TO THE BEST OF MY ABILITY, TO FOLLOW ALL SAFETY RULES AND THE REQUIREMENTS OF THE PROGRAM LISTED ABOVE.
